

MESSAGE FROM THE DIRECTOR

**Dear Students,
Greetings!**

This is a golden age for career education- We at Desire Career Institute aim to provide value based knowledge to our students. We are happy to be working with you to make sure that you are given true knowledge to face challenges in your career. An important role Desire play is to link this Depth and Breadth of Energy and Experience to the intelligence of the young generation. Our main aim is to Nurture & Shaping the talent and the Energy of our students in the right direction our efforts would bring the best in the lives of students. We hope to support all individuals of the entire society of Assam. We wish you a very Pleasant and Rewarding experience at DCI. Desire Career Institute we started in 2016 loving memory of my grandfather Shri Punpun Sah.

My Grandfather used to say that "Something you have got to remember in life; whatever you want to be in life, the journey is never going to be smooth all the time. There are going to be rough patches along the way but then you prepare yourself in such a manner, that if any obstacle comes in your way, you are following the right path always. If you are on the right path, nothing can stop you. All of you need to have self belief and determination and things will change. You can't be stopped at the red signal forever, wait for your opportunity and don't give up"

“Dream is not that which you see while sleeping;
it is something that does not let you sleep”.

Dr. A.P.J. Abdul Kalam

Best Regards
R.K. Rajan
(MBA), NET, B.Ed., Ph.D Research Scholar
Director , D.C.I

DESIRE CAREER INSTITUTE

ABOUT DESIRE

Necessity is the Mother of invention but here it is the Mother of Miracle. A Miracle which has grown manifold - DESIRE CAREER INSTITUTE. Desire Career Institute is a pioneer institute in the field of coaching for UGC-NET/CSIR-NET/SLET/CTET. Founded on January 20, 2016 and named in the loving memory of Shri Punpun Sah, grandfather of R.K. Rajan, DESIRE has today become a synonym of SUCCESS.

In 2016, R.K. Rajan started with just 10 students and after a few months Bijan Debarma, the eminent professor of Philosophy also joined him. It was the only institute of its time which provided coaching for UGC-NET/CSIR-NET/SLET/CTET under one roof. This strong association became the foundation stone of the revolutionary UGC-NET coaching institute of that time.

New heights of success were scaled year after year. The Institute achieved remarkable Landmark of 6 students selected in UGC-NET, 2018 December.

Meanwhile, Mr. Sanjay Talukdar, a dynamic person with excellent engineering background joined the team. The consistent and ideal team efforts of faculty members, the vivid educational philosophy of all the Staff and the visionary administration of R.K. Rajan altogether laid the path of glorious success, which led the institute to achieve First Rank in UGC-NET Coaching Centre in 2019. Since then, DESIRE is known to create 'never before' benchmarks. DESIRE has been creating history by not only producing UGC-NET Results from classroom courses but extending it to SLET & CTET, Assam TET in 2019. And becoming the first ever institution by producing excellent results in UGC-NET in entire North-East.

DESIRE is a symbol of united family of five devoted staff members, which has grown up to a large group of 100+ members as on date, with trust of more than 1 lac students since 2016. The Institute is in parallel with Indian values, spiritualism & hard work under the efficient directions of R.K. Rajan.

With this, the institute is on its "Path to Career Success..." by writing its success story and adding more episodes of splendid achievements year after year.

"True Aim of Education is the formation of character"

*"All of us do not have equal talent but,
all of us have an equal opportunity to develop our talent"*

Dr. A.P.J. Abdul Kalam
